

Describe your experience working with us:

From the very first time we met Nancy and Brian, they were immediately engaged in trying to understand what our objectives as sellers were. Their immediate response to advertising and showing our home resulted in a very quick turn-around in selling our property and ended in a satisfied buyer and satisfied seller....win-win.

Would you work with us again?

Yes we would. Nancy and Brian have demonstrated their no-nonsense approach to buying and selling real estate directly to us and we would look forward to an opportunity to use their services again.

Would you refer others to us?

Yes we would. We would be happy to speak with others that may be deciding which realtor(s) to use.

Describe your satisfaction with your sale or purchase:

For us, the sale of a home we had for some 15 years was bittersweet. We had a lot invested emotionally in the home and to sell under the current economic conditions made that situation worse. However, the efficient manner in which the home was listed and sold lessened the emotions and allowed us to move on quickly.

What could the Biggs have done better?

Not sure we can think of anything for our particular transaction.
